What Time Proves.

This thing of being sick and looking for a cure is a mighty serious business. People are not given to joking even at the first sympton of the approach of the grim destroyer. They do not want to be the subjects of experiment, but want medicine that had the test of years behind it. A medicine that has been made and used for 20 years give assurance of its worth, and can be taken with faith that they have the very best cure the world affords. All this can be said about Dr. Gunn's Improved Liver Pills as a remedy for sick-headache, dyspepsia, and indigestion, it begins right at the source of the trouble and the removes the cause. We will send a sample box of these pills free, or a full box on receipt of 25 cents. Sold by all druggists for 25 cents per box, or address Dr. Bosanko Medicine Company, 128 S. Sixth street, Philadelphia, Penn.

CURED OF HIS CLUB.

The Way One Woman Kept Her Husband Home In the Evenings.

"I would be very happy if my husband would not spend so many of his evenings at the club," said Mrs. Bride, with a sigh.

"Why don't you try the suspicion cure?" said her intimate friend.

"What is the suspicion cure?" asked Mrs. Bride.

"Well, my husband once got into the habit of spending his evenings at his club, and I worried myself ill. Then I changed my tactics. Instead of asking him to remain at home I urged him to go to the club. The way he raised his eyebrows the first time I suggested it showed that I was on the right track.

"One night he said he had a severe headache and would remain at home. I opposed the idea and insisted that an evening at his club would make him forget his headache. He gave me a hard look, but acted on the suggestion. I knew he would be back within an hour, so I made an elaborate toilet. He returned, as I expected, with the plea that his head was worse. I ignored his question concerning my elaborate toilet. He hasn't been away for an evening since. It is almost like the old honeymoon, only he appears to have something on his mind."

EMERGENCY RATION

A man has lived forty days without other food than his own fat.

Fat is man's emergency ration. The fat is stored in convenient hollows all over the body against the day of necessity.

Consumption makes heavy demand on the storage of fat. Nature uses fat to fight the disease. The crying need of the consumptive is fat.

Scott's Emulsion contains the best fat to be had, next to human fat itself. Scott's Emulsion is a natural substitute for human fat. It prevents waste. It furnishes the consumptive with nature's own weapon for fighting the disease.

COUNTY OFFICIAL PAPER.

Saturday, June 25, 1904.

D. E. O'KEEFE.....EDITOR AND PROPRIETOR

OUR STANDARD BEARER.

The Republican convention at Chicago that adjourned Thursday met to ratify the will of the people in nominating Theodore Roosevelt for the Presidency. The fact that he was the unanimous choice of that body demonstrates the popularity of the great statesman and shows that his administration is satisfactory to the American people who are ever ready to give credit to whom credit is due. President Roosevelt is a strong, bright, brainy man, whose courage has been tested and whose worth is known. The American people irrespective of party affiliations may well feel secure in placing the affairs of the government in his hands. We predict that on next November he will receive the largest vote of any candidate that ever aspired to the Presidency.

His honesty, fearlessness, and marked ability, has endeared him to the people. He is an ideal candidate who will receive the support of all classes. His running mate, Senator Fairbanks, comes from the "plain people" and he too is a citizen of whom every American may feel proud.

The platform adopted by the Chicago Convention is not a stirring document—there is no exciting issue before the country to stimulate ardor. Its tone is calm and business-like; its expressions restrained and dignified; it sounds a note of supreme confidence.

That is all it should be. The country is at peace. It is profoundly prosperous, having met and adjusted questions of coinage, revenue, tariff, expansion, etc., and is now confronted by no new problem of moment, if we except the trusts. The condition is one for which the Republican party is responsible and in which it can and does take a just pride.

THE CITY COUNCIL.

A. J. Fromm Is Charged with Violating a City Ordinance.

The Board of Town Trustees held quite an exciting meeting last Monday night. During the first part of the evening it was decided to allow all who were opposed to the proposed library site on the high school grounds to chip in and buy another spot on which to locate the new Carnegie library and be prepared to present it to the town at the next meeting, or to then, and after and forever hold their peace.

The most important legislation was that which deprived Proprietor A. J. Fromm of the Capitol Hotel bar of his license. The matter came up on complaint of Marshal Christ, who claimed that the Capitol bar had been kept open on a certain date beyond the statutory time. Witnesses had been summoned and after hearing their testimony a vote was taken as to the matter, and all but P. J. Foley voted to revoke Mr. Fromm's license. The meeting then adjourned.

So much feeling was caused by the summary action of the board that a special meeting was held on Tuesday night and at that time it was shown that insomuch as Mr. Fromm had not been subpoenaed to answer to the charge his license would have to be retsored. He will, however, be required to answer at some future meeting.

The action of the board should serve as a warning to some of the other bars in town that they must observe the town ordinance. The present board has put itself on record by Monday night's actions, showing that they are not afraid to do things, and that they intend to act according to law, regardless of where the blow may fall.

He will visit all the big cities of the United States and will spend some time at the St. Louis Exposition in October. The young man has a taste for travel and will thoroughly satisfy it before returning to California.

Miss Goodsell Married.

Miss Dorothy Goodsell and Charles William Cramm were quietly married on Thursday evening, June 23d, at the home of the bride's mother, Mrs. J. Goodsell, at 1425 Van Ness avenue, San Francisco. Rev. COUNTY BOARD IN SESSION

Official Business Transacted by the Supervisors at Monday's Meeting.

Architect Dodge Suggests Changes in the Court House Plans. A Cemetery Petition.

The Board of Supervisors met in regular session last Monday. All the members were present.

D. J. Kelly and William Hagan of San Francisco presented the following petition asking for permission to bury indigent dead in lots 3 and 7, block 170, Abbey Homestead Association, Colma:

"To the Honorable Board of Supervisors, Gentlemen: Application is hereby made for permission to bury dead in lots three (3) and seven (7), block 170, Abbey Homestead Association, your county.

"Your petitioners respectfully show that the said lots of land are located immediately adjoining land now used as a cemetery in which burials are continually going on and that if your Honorable body should grant this permit it will cause no deterioration to land immediately surrounding the said property because of the land adjoining being already used as a cemetery, and the lots immediately adjoining on the south belong to the parties who are selling lots 3 and 7 to your petitioners and they are willing that this property should be used a a cemetery or for burial purposes.

"This land has already been surveyed by the County Surveyor of your county and his record of the survey will show the conditions of the land as stated herein.

"Trusting that this proposition will be granted and your petitioners being prepared to carry out any rules or regulations necessary for the granting of this application.

"Dated June 17, 1904.

"Respectfully submitted,

"D. J. KELLY,

"WILLIAM HAGAN."

Joseph Hagan in a communication to the Board objected to granting the prayer of the petition.

Eikerenkotter thought the City and County of San Francisco should establish its own cemetery. In response to this D. J. Kelly said the city had already appropriated $5,000 for this purpose, but that the money would not be available until the middle of July. He further stated that the property he had selected was the best in San Mateo county for cemetery purposes as it was isolated and away from any habitation. Furthermore, other indigent dead were buried in that locality.

H. W. Brown stated that the City and County of San Francisco should be made to establish a cemetery and not have the burial places of its indigent dead scattered all over the territory in the vicinity of Colma.

R. S. Thornton explained that while he did not oppose cemeteries yet he did not want them established near the town of Colma where they would destroy property values.

On motion of McCracken seconded by Eikerenkotter the petition was accepted, and the matter set for hearing for August 1st.

H. R. Painton, a member of the Board of Education from the First Township presented the following resignation which on motion of McEvoy seconded by Eikerenkotter was accepted:

South San Francisco, Cal.,
June 11, 1904.

To the Honorable Board of Supervisors, Gentlemen: During the past two years I have endeavored to fullfil my duties as member of the Board of Education of San Mateo County. For the appointment and other courtesies I wish to thank your honorable Board.

When the work of the present school year is finished, that is early in July, I expect to go into other work that will prevent my remaining a member of said Board after that time. For this reason I ask that my resignation be accepted, to take effect when the Board of Education's work of the school year is over.

Again thanking you for past favors, I remain Sincerely Yours,

H. R. PAINTON.

Geo. W. Hall of San Mateo presented an application for the place. On motion of McEvoy seconded by Eikerenkotter the application was filed.

As the term of Miss Cummins of the Fifth Township was to expire on July 1 the Board agreed to proceed with the election of two members of the Board of Education. The chairman then called for nominations. McCracken nominated Emily Leighton of Pescadero and said motion was seconded by Eikerenkotter. The name of Geo. W. Hall was placed before the Board by McCracken and seconded by Eikerenkotter. There being no further nominations both nominees were duly elected and the clerk instructed to issue them certificates of election.

The petition of A. M. Robson, and others, to declare the following streets permanently opened was discussed at some length:

"1. K street from San Pedro Road to the easterly line of Third avenue, with a uniform width of 60 feet from San Pedro Road to lot No. 12 of block 30, then with a width of 75 feet between lot No. 12 of lot 30 and lot No. 1 of block 42, to said easterly line of Third avenue.

"2. Third avenue from the southerly line of K street to the southerly line of L street, with a uniform width of 60 feet.

"3. L street from the westerly line of Third avenue to the easterly line of Fourth avenue, with a uniform width of 60 feet.

"All of said streets are laid down on the map of the City Extension Homestead Association, of record in map book 1, at page 13 in the office of the Recorder of said County of San Mateo."

Carl Viohl, representing the petition, said that it was necessary to keep those streets open in order to provide the residents in that vicinity a means of ingress and egress to the main county road.

Attorney John Burdett, representing Charles L. Patton, explained that Viohl's statements should be proven by competent witnesses.

H. W. Brown suggested that the matter go over to enable Mr. Viohl to have his witnesses and attorney present.

On motion of McEvoy seconded by Eikerenkotter the matter was continued to July 18th.

The application of Charles L. Patton filed on May 16th to withdraw the offer to dedicate certain streets in the City Extension Homestead Astociation made in 1870 was taken up. H. W. Brown argued at some length, showing the Board had no jurisdiction in the matter.

H. Gilfuss urged the Board not to allow Colma to become the dumping ground for the dead of San Francisco. He had established a home at great cost and did not want it destroyed by the establishment of a cemetery near it.

Mr. Gilfus said that though Mr. Patton had called his burial place a Masonic cemetery, his action was not approved by any of the San Francisco Masons. It was a money making scheme that had not the support of the Masons.

On motion of Eikerenkotter, seconded by McEvoy, the prayer of the petition was denied for want of jurisdiction.

At the request of Attorney Howlett, action of the petition of Phebe Hearst to establish a reclamation district between Belmont and Redwood Creeks, was deferred until July 18.

McCracken asked for permission to appoint an inspector for the new bridge at Pescadero.

On motion of Eikerenkotter, seconded by McEvoy, the request was granted. The salary of the inspector was fixed at $2.50 per day.

McEvoy suggested that the architect provide the Supervisors with pamphlet forms of the specifications of the new court house. The architect agreed to furnish the pamphlets. Mr. Dodge explained that in view of the many changes made on the building he would suggest a copper dome instead of galvanized iron. He also suggested many changes in the interior of the building. If the Board desired he would make a detail statement of the changes and present them at the next meeting.

On motion McEvoy, seconded by McCracken, the architect was authorized to present the statement at the next meeting.

The following resolution offered by McEvoy and seconded by Eikerenkotter was adopted:

"Resolved, That whereas there was by election duly held on April 25, 1903, annexed to the Town of Redwood City, a municipal corporation of the sixth class, and made part of said municipal corporation, and taken from and out of the Third Road District of San Mateo County, certain territory in notices of said election and elsewhere specifically described.

"And whereas said municipal corporation of Redwood City is now, and ever since May 28, 1903, has been chargeable with the care and maintenance of the streets, roads and highways located in said annexed territory.

"And whereas said Third Road District ever since said May 28, 1903, has been and is now relieved from the care and maintenance of said streets, roads and highways in said annexed territory.

"And whereas the levy for road purposes in said Third Township includes the tax of said territory so annexed to said Redwood City.

"And whereas said Third Road District will not in the future be chargeable with the care and maintenance of said streets, roads and highways in said annexed territory, but that said municipal corporation of Redwood City will alone, be chargeable with such expense.

"And whereas said Third Road District of San Mateo County, for the relief of said municipal corporation of Redwood City, has since July 1, 1903, expended out of the funds of said Third Road District, upon the said streets, roads and highways in said annexed territory, certain sums for watering streets, for the cost of such water and for rock put upon said highways, which said sums so expended now amount to $756.09.

"And whereas the territory so annexed to Redwood City is assessed at the sum of $213,265 upon which the total road tax assessed for the fiscal year 1903-4 is $1,017.27.

"Now be it resolved that the Auditor of the County of San Mateo, State of California, be, and he is hereby authorized to draw a warrant of the County Treasurer of said San Mateo County for the sum of $261.18, (being the total amount of road tax upon the valuation of said annexed territory, to wit, $756.00) in favor of the said town of Redwood City, payable out of the Third Road District Fund of said San Mateo County, to enable said town of Redwood City to care for and maintain the said streets, roads and highways in said annexed territory."

On motion of McEvoy seconded by Eikerenkotter the janitor was authorized ro decorate the court house building for July 4th.

No further business appearing the Board adjourned to July 6.

GREATER REDWOOD SCARED.

Nocturnal Alarm Perturbs Peaceful Denizens of the Island.

On a recent Saturday night Robinson subdivision was awakened with a start by the prolonged barking of a coytoe. Visions of well-stocked hen roosts stripped of their feathery occupants flitted through the sleep-befogged brains of the denizens of Greater Redwood, as she was annexed. Each individual householder started on a tour of inspection. Thos. Hind manned the wood end of a cleaver and had blood in his eye as he angrily tripped from the back door in his pajamas.

W. H. Adams took down the gun his father used at Bunker Hill and ran to the protection of his silver-laced Wyandotes.

Will McGarvey, who believes that the pen is mightier than the sword, and so keeps no other weapon about the house, went no further than the window, where he stood like a good fellow.

Ellis Ensor, who had no chickens to lose, says that he stayed in bed, and as we have always been led to believe that Ensor is a truthful man, this is undoubtedly the case.

There would probably have been war on the Island had not the barking ceased when all of the searchlights appeared, and it has since developed that the coyote was only a resident of the neighborhood who was amusing himself for a few moments trying to imitate sounds he had heard in his childhood's happy home down on the farm.

Hereafter he says that when he wishes to entertain himself he will sing Bedelia.

THE FOURTH AT PALO ALTO.

Great Preparations Being Made to Celebrate the Day.

Arrangements for the grand Fourth of July celebration at Palo Alto are nearly completed and we have the assurance that the University town will have the biggest crowd that ever attended a celebration in this section of the State. Ever since April the committee in charge of the festivities has been busy. Meetings have been held each week and now as the day approaches little remains to be done.

Professor Yauk's famous band of San Francisco has been engaged and will furnish music during the parade and will also play for the afternoon and evening dance. Other bands have also been engaged and its quite likely half a dozen of the best organizations in this section of the State will be there on that day.

Of course there will be a big parade. The local societies of Native Sons, Red Men, and other orders, have the assurance that their brothers and sisters from all the adjoining towns will join them on the Fourth. From San Francisco there will be a delegation of Native Sons and Native Daughters numbering close to a thousand. Another big delegation will come from San Jose. Then the Red Men say they will have over seven hundred visiting braves in the line of march. Firemen from several towns have accepted invitations and in addition to parading will take part in the firemen's tournament. One prize of $250 has been put up and the fastest team will get the coin.

Perhaps one of the best attractions of the day will be the parade and exhibition drill of the Veteran Volunteer Firemen's Association of San Francisco This well-known organization will bring a hundred men and their own band. Their drill is worth going a long way to see.

Hon. Frank J. McGowan will deliver the principal address. This noted speaker is too well known to need any introduction to our readers. Then there will be a chorus of three hundred children, who will sing the national airs.

In the afternoon arrangements have been made to have a series of games and sports. Excellent prizes will be offered and this feature of the day will prove most enjoyable.

The largest tent on the coast will be purchased, under which a fine platform has been built. Here they will have dancing all the afternoon. In the evening, in the same place, will be held a grand ball. This is intended as a select affair and while no invitations are issued, care will be taken that no objectionable characters are admitted.

Space does not permit us to mention all that has been arranged for the day. Suffice to say, the merchants, business men and citizens have raised over $2000 and this will be spent in entertaining the people.

The executive committee wishes it stated that there will be plenty to eat and at moderate prices. Special rates on the Southern Pacific, and special trains.

Other announcements will be made later. This is the only celebration in this section and we should all go, just to show the people of Palo Alto that their efforts are appreciated.

Redwood City Boy Honored.

Some six months ago, after recovering from appendicitis, Ed Hurlbut applied for a position as reporter on the San Francisco Chronicle, and was given a minor place at $10 per week. He continued at this for about two months, when his salary was raised and by extra assignments his $10 was increased to $21 per week. Two weeks ago the assistant editor of the Sunday Call shuffled off this mortal coil and Mr. Hurlbut was selected to fill his position. The place of assistant editor carries with it a much better remuneration and is a promotion. The young editor was successful in having a story selected by McClure last November. His forte is along the line of work used for Sunday supplements, so there is no doubt but that he will succeed.

Mrs. W. Schomaker and family have taken apartments at the Menlo Park Hotel for the summer months.

Mrs. Heilman and two daughters have taken apartments at the Menlo Park hotel for the summer months.

A large attendance is expected at the League of the Cross dance in the Armory this evening. The Tapioca band will furnish the music.

All Native Sons are requested to meet at their hall next Thursday evening to perfect all arrangements for participating in the parade at Palo Alto on July Fourth.

S. E. Slade and family arrived home from the East Thursday. They spent some time at the World's Fair and are loud in their praises of that great undertaking.

Mr. E. W. Hopkins, President of the Menlo Park Improvement Club, has called a meeting for next Tuesday evening, June 28th, at 8:15 p. m. in Duff & Doyle hall, and requests all members and those interested, to be present.

Mrs. Mejor and two daughters of Mexico have rented one of the cottages of the Menlo Park hotel for the summer. Mrs. Mejor is one of the wealthiest residents of Mexico. On leaving here her daughters will enter Sacred Heart Convent of this place.

Daniel O'Keefe, a cousin of Jas. T., D. E. and J. H. O'Keefe, died at his home in Vallejo last Tuesday after a lingering illness. He was engaged in business at Vallejo and had a promising future. His father preceded him to the grave less than a year ago.

Menlo Parlor N. S. G. W. has elected the following officers for the ensuing term: George Frombertz, president; John Bracesco, first vice-president; James Fitzgerald, second vice-president; John Roach, third vice-president; L. N. Clelland, financial secretary; C. H. Smith, recording secretary; F. W. Johnson, marshal; W. A. Doyle, treasurer; F. F. Johnson, trustee.

Miss Margaret Rocho has been appointed a teacher in the Redwood City School Department. Her many friends will be pleased to learn of her good fortune. The young lady has always been a hard worker. She is a graduate of the grammar school of this place, Sequoia high school and the State Normal school at San Jose. She is deserving of every success.

The following are the guests at the Oak Grove Villa for the summer: Superior Judge Graham and wife, Ethel Graham, Irene Glover, Dr. and Mrs. Barbat, Miss O'Brien, Alice, Claier and Aileen Barbat, Aileen O'Brien, Dora, Bessie and Moncia Donovan, Mr. and Mrs. Dunne and three children, Miss Rock, Mrs. and Miss McIntyre.

Supervisor P. H. McEvoy has awarded a contract to Mr. Mosher to oil the Creek road for a distance of three miles. This thoroughfare is one of the most picturesque drives in the county. It was turnpiked some time ago and is sufficiently packed for oil. Santa Cruz avenue, that was oiled last year, has proven a great success—far beyond Mr. McEvoy's expectation. It will receive a slight coating of oil this summer. Mr. McEoy intends to oil many of the roads of his district.

Professor Imrie has resigned the principalship of the grammar school to accept a position in the school department of San Francisco. He taught here one term and has proven himself an educator of marked ability with a decided fact to impart knowledge. Mr. Imrie was well-liked by the pupils and teachers, and in fact by all who knew him. While it is to be regretted that he has given up the school, yet his many friends here wish him every success in the metropolis where he will have a wider field for his work.

Five new residences will soon be built on the Atherton tract west of Sacred Heart Convent. The buildings will cost not less then $10,000 each. Young Hoitt, son of the veteran educator, will build close to his father's school; J. R. Smith will build another cottage adjoining his present residence; J. R. Brittan will construct a handsome building on his recently acquired ten-acre tract; J. Judson of Oakland will commence work on his summer home Monday, close to that of Mr. Brittan, and T. R. O'Gara has purchased five acres adjoining Mr. Smith and will start at once making improvements, including an up-to-date cottage. This closes the sale of the real estate west of the convent owned by the Atherton family.

Last Friday evening Isabelle and Carmelita Duff, the bright and pretty young daughters of Mr. and Mrs. M. F. Duff, were given a surprise party by their friends at the home of their parents. The young ladies are students at the Notre Dame Convent at San Jose and the party was given to celebrate their home-coming. The beautiful Duff home reverberated with the joyous laughter of the youthful merrymakers. Dance and song made the fleeting hours go swiftly by. Songs were sung by Miss Fannie Casey, Miss Rose Hammerson, Jack Doyle, James Fitzgerald and John Duff. The evening was a most enjoyable one and will long be remembered by those who attended. The pleasing feature of the evening was the delicious supper served by the two hostesses.

Last Saturday evening Harry B. Morey was tendered a reception by his many friends at his hospitable home. About forty people gathered and enjoyed an evening of fun and merriment. The Ready and Willing Quartet, composed of James T. Lynch, Charles Applegate, Thomas Gardner and Harry Morey, Jr., rendered some choice selections. Solos were sung by John and Harry Morey, Thomas Gardner, James Lynch, A. J. Carleton and Jas. Bruce. The recitations of David Kirby and J. H. O'Keefe were greeted with applause. Thomas Cochrane delivered a felicitous speech in which he took occasion to congratulate Mr. Morey upon his his success in securing the big Stanford contract and hoped he would be successful. His remarks were well timed and to the point, an brought forth a round of applause. Mr. Morey modestly and with much embarrassment responded, thanking Mr. Cochrane for the kind sentiments he had expressed. A tempting supper was served at midnight that was enjoyed by all

Twenty Years Trial.

There are lots of good things the doctors know nothing about. We frequently cure people of disease after the doctors have given them up. If the disease comes from overwork, dissipation, or exposure, causing week and watery blood, and loss of flesh and strength, we have the one sure remedy in Dr. Gunn's Blood and Nerve Tonic. These tablets taken with meals turn the food into rich red blood, making strong steady nerves, and increasing the strength, building up solid flesh at the rate of 1 to 3 pounds a week. This means health. For nervous prostration, loss of memory, or a pale, sallow complexion, a better remedy was never made. Doctors know nothing about this remedy only the fact that we make cures; as we have been doing this for twenty years we know our method to be the right one. Druggists sell Dr. Gunn's Blood and Nerve Tonic for 75 cents per box, or 3 boxes for $2, or sent by mail, on receipt of price. Write us for a pamphlet telling all about this great medicine. Address Dr. Bosanko Medicine Company, 128 S. Sixth street, Philadelphia Pennsylvania.

THEDFORD'S BLACK-DRAUGHT THE GREAT FAMILY MEDICINE

Thedford's Black-Draught has saved doctors' bills for more than sixty years. For the common family ailments, such as constipation, indigestion, hard colds, bowel complaints, chills and fever, biliousness, headaches and other like complaints no other medicine is necessary. It invigorates and regulates the liver, assists digestion, stimulates action of the kidneys, purifies the blood, and purges the bowels of foul accumulations. It cures liver complaint, indigestion, sour stomach, dizziness, chills, rheumatic pains, sideache, backache, kidney troubles, constipation, diarrhoea, biliousness, piles, hard colds and headache. Every druggist has Thedford's Black-Draught in 25 cent packages and in mammoth size for $1.00. Never accept a substitute. Insist on having the original made by the Chattanooga Medicine Company.

I believe Thedford's Black-Draught is the best medicine on earth. It is good for any and everything. I have a family of twelve children, and for four years I have kept them on foot and healthy with no doctor but Black-Draught. A. J. GREEN, Illewara, La.
